SAFETY

Our Safety Commitment

At Geal Engineering Company, the safety and well-being of our employees, customers, and community are our top priorities. We are dedicated to fostering a culture of safety through rigorous training, comprehensive safety protocols, and continuous improvement of our safety practices.

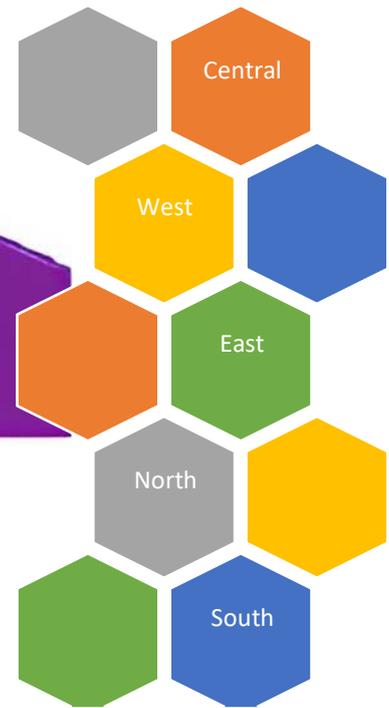

Key Safety Initiatives:

- 1. Comprehensive Training Programs:**
 - Regular safety training sessions for all employees.
 - Specialized training for handling hazardous materials and operating machinery.
 - Emergency preparedness drills to ensure readiness for any situation.
- 2. Strict Safety Protocols:**
 - Adherence to all local, state, and federal safety regulations.
 - Implementation of industry best practices to minimize risks.
 - Regular safety audits and inspections to identify and mitigate potential hazards.
- 3. Safety Equipment and Technology:**
 - Provision of personal protective equipment (PPE) to all relevant staff.
 - Investment in advanced safety technology to enhance workplace safety.
 - Maintenance of high-quality safety gear and regular equipment checks.
- 4. Health and Wellness Programs:**
 - Initiatives to promote physical and mental health among employees.
 - Access to wellness resources and support services.
 - Programs to encourage a healthy work-life balance.
- 5. Employee Involvement:**
 - Encouragement of employee participation in safety committees and discussions.
 - Open communication channels for reporting safety concerns and suggestions.
 - Recognition and reward programs for exemplary safety practices.
- 6. Environmental Responsibility:**
 - Commitment to environmentally friendly practices to ensure the safety of our community.
 - Regular assessments to reduce the environmental impact of our operations.
 - Sustainable waste management and recycling programs.

By integrating these initiatives into our daily operations, we strive to create a safe and healthy work environment. Our unwavering commitment to safety not only protects our employees but also ensures the trust and confidence of our clients and partners.
