RE: LETTER OF INTRODUCTION AND RECOMMENDATION

GEAL ENGINEERING COMPANY LIMITED a construction firm well known to us has undertaken engineering construction and rehabilitation works on a number of our projects namely.

- ✓ Proposed fabrication and erection of warehouse
- ✓ Proposed construction of apartments at IBS closed upper kololo
- ✓ Proposed installation of new roof at Administration office block
- ✓ Proposed installation of aluminum office partition
- ✓ Proposed installation of water system and maintenance
- ✓ Proposed compound design
- ✓ Proposed construction of office block
- ✓ Proposed installation of water supply and drainages line

We are pleased with their company capability and we have observed that they are well equipped and have all the capacity to undertake larger construction projects.

Their quality of workmanship is good and we found them an admirable construction firm to deal with. Thus. We cannot hesitate to recommend them to any prospective client for construction engineering work.
